Office Order

Any construction of new projects or activities or the expansion or modernization of existing projects or activities listed in the schedules of the EIA notification dated 14.09.2006 requires prior Environmental Clearance. If, certain modification in the plant and machinery including installation of additional sources of air/ water pollution without obtaining Environmental Clearance under EIA notification has been carried, then directions of closure/ sealing of those additional plant/machineries under section 33A/ 31A of Water Act/ Air Act shall be issued. Further, such cases shall be forwarded to SEIAA for necessary action for past violation of EIA notification. After issuing of directions, the consent for remaining part of industry may be processed on merit.

This bears approval of the competent authority.
