4. Minutes of Meeting held on 11.06.2020 under the Chairmanship of Chief Secretary, Rajasthan, issued vide No. 27780-89 Dated 18.06.2020.

Dear Sir,

In reference to the above cited subject, a meeting was held on 11.06.2020 under the chairmanship of Chief Secretary, Rajasthan. In this meeting, it was decided that Public Health Engineering Department (PHED) will carry out a study to find out the feasible and viable solution on VGF model for efficient operation & maintenance of 08 water supply schemes of urban towns namely Bundi, Chomu, Jaisalmer, Karauli, Nathdwara, Nokha, Nagaur and Sriganganagar which are presently being operated and maintained by respective ULBs. Based on the study PHED would also suggest whether those schemes can be effectively run on either contract management or public private partnership (PPP). As per the decision taken in the meeting PHED is proposed to submit the outcome of the study to the LSGD by March 2021 along with the recommendations on taking over and the responsibilities of ULBs laid in the ADB loan agreement conditions for O&M phase.

Accordingly, You were requested vide reference letters no. 1 & 3 to direct the concerned Chief Engineer to submit the progress report in the matter. The information required by Additional Chief Engineer, PHED Region-II, Jaipur was already been submitted vide reference letter no. 2. It is pertinent to bring in your kind notice that the progress of feasibility report has not been received in LSG department till date.

Sir, you are requested to kindly again direct the concerned Chief Engineer to submit the progress report in the matter.
