**Office Order**

M/s Expert Engineers Ltd, Ajmer has carried out the Soil Bearing Capacity for Bulk Water Supply System for Pali town under RUIDP Phase-III. After review of test report, firm was asked to reconfirm the test conducted by them. The second test report for the various places of Pali town was found to be almost twice in comparison to previous report submitted. Substantial differences found in soil bearing capacity test results indicate casual approach of conducting test and incapability of the firm.

In view of the above, M/s Expert Engineers Ltd., Ajmer is debarred from further participation of the works under RUIDP for one year of issuance of this order.
