Office order

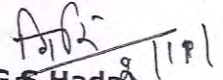

Sub: Construction Management System: Follow-up of circulars issued regarding variations & time extension and quality control etc.

- Ref: (1) CMS circular no. 39 vide ref. No, 14400-443 dated 24.09.2009
(2) CMS circular no. 69 vide ref. No, 11981-86 dated 02.11.2012

For Variation/Time extension approval and Quality control, RUIDP have issued CMS circular no. 39 & 69 and QA/QC manual time to time. It has been observed that compliance of these circulars are not strictly followed. The variations and time extension are being submitted by IPIU without proper justification, rates of replacement/Extra items not analyzed properly, proper authentication of Team Leader, DSC and SE (Zone). Since all circulars are in piecemeal and scattered, it is felt that a consolidated relevant circular should be issued to make it convenient and easy for ready reference, cross checking and sensitizing this issue to be followed strictly in future.

The copy of the above circulars and relevant portion of QA/QC manual as consolidated document is enclosed for ready reference.

This office order is equally applicable to all members of PMU, IPIU, IPMC & DSC and it is directed to ensure compliance of guidelines and circular strictly in future.
