Sub: Construction Management Circular - 42 - Notice & signage board on work sites.

Ref: Chief Secretary, Letter No. PS/PSRDPR/2009 dated 11/11/2009.

It has been desired that the requisite information related to the execution of works and activities at different work sites must be displayed mentioning various components of activities specifically project cost, duration etc. together with the benefits to be provided to the peoples.

The XEn PIU's are directed to issue necessary directions to all the contractors and the field engineers and the compliance should be ensured by him with in seven days. He should ensure the display of desired information & monitor the compliance of targeted deliverables on regular basis.

The language of signage has been standardized in the enclosed format on the following suggested sizes. The sizes are indicative and can be changed as per site conditions.

S. No.	Description	Suggested size
	Notice & Signage Boards on work sites
