

**Sub: Construction Management System - Circular No. – 26.**  
**Ref: Justification of rates of bids under RUSDIP/UIDSSMT.**

RUSDIP is in advance stage of bidding for different sectoral sub-projects. The Tender Evaluation Committee meeting is held for justification of bid prices quoted by the bidders after approval of Technical responsiveness and opening of their financial bids, and in some cases negotiations on the financial bids are also held after approval of the TAC and ADB. Similarly the bids under UIDSSMT and other schemes are also evaluated in accordance to the laid down procedure.

It is directed that:

1. In case of RUIDP/RUSDIP works
  - a. A justification on the likely percentage above/below the Engineers Estimate should be prepared by the EE IPIU before opening of the financial bid, duly signed by the members of Evaluation Team, and should be submitted to the concerned APO/Controlling officer in PMU for their review.
  - b. The concerned APO/Controlling officer in PMU will review the note and sign them for their confirmation.
  - c. These notes should be endorsed by the Dy PD (T) and circulated by Dy PD (T) to members of TEC and should be available at the time of TEC.
  - d. In case of negotiations, the justification may further be updated, if there are any changes due to the time period of opening of financial bid and negotiation dates.
2. In case of UIDSSMT and other works, the initial justification will be prepared by the concerned APO PMU with the help of UIDSSMT consultants, as there are no PIU's in these towns at present and will further submit in accordance to the procedure for RUIDP/RUSDIP works as detailed above.
3. The comparative statements prepared by Evaluation Team should also be examined for its correctness and signed by Head of IPIU, controlling officer in PMU and Additional Project Director before submission to TEC.

**All the members of PMU, IPIU, IPMC and DSC should abide this circular.**

  
(Dinesh Kumar)  
Project Director
