INVITATION FOR BUSINESS OPPORTUNITY SEMINAR

Dear Sir / Madam,

Subject: Business Opportunity Seminar for Phase – IV of (Rajasthan Secondary Towns Development Investment Program (ADB Funded))

Under RUIDP (Rajasthan Urban Infrastructure Development Project) Phase – IV, there is a Investment plan for development of Rajasthan Secondary Towns and it will support the ongoing efforts of the Government of Rajasthan towards improving the **water and wastewater services in 42 towns** comprising around 2.5 million residents. The selected towns have a population of 50,000 to 100,000 or is a district headquarter or is a town of heritage or cultural or other importance.

The project aims for the rehabilitation and expansion of water supply network for reduction of non-revenue water (NRW) & 24x7 water supply. The projects include the rehabilitation and expansion of sewerage network, new construction of required water supply & waste water treatment plants, fecal sludge management, and decentralized waste water management in the project towns. The project is expected to increase operational efficiency, improve service, and result in positive impact on health and quality of life for the residents of project towns in the state.

Under Phase – IV of investment program, bids have been invited and are in process of review for 14 priority towns which are covered under 8 clusters. Further bids are being invited soon for another 16 towns and for balance towns bids will be invited subsequently.

In view of above, RUIDP proposes to invite prospective bidders to a 'Business opportunity seminar', being coordinated by PPTA team.

The purpose of proposed seminar is to give opportunity to RUIDP to explain to the bidders the highlight of the project. This seminar will also give an opportunity to prospective bidders to share their opinions or limitations with RUIDP. With the help of this interaction RUIDP intends to make the bid technically viable and conditions attractive to the competent bidders finally to achieve a competitive bidding.

The seminar is proposed to be conducted in Jaipur as per the date and address given below;
