आदेश

भारत सरकार के पेट्रोलियम और प्राकृतिक गैस मंत्रालय द्वारा अवगत करवाया गया है कि पेट्रोलियम कम्पनियों द्वारा फ्यूल रिटेल आउटलेट स्थापित करने में समुचित भूमि की अनुपलब्धता के कारण कठिनाईयों का सामना करना पड़ता है। अतः राज्य सरकार द्वारा निर्णय लिया गया है कि सार्वजनिक क्षेत्र की ऑयल कम्पनियों को रिटेल आउटलेट स्थापित करने के उद्देश्य से मास्टर प्लान में उक्त प्रयोजनार्थ अनुज्ञेय भूमि का आवंटन किया जा सकता है। यह आवंटन व्यवसायिक आरक्षित दर के दुगुनी दर पर किया जावेगा। ऐसी भूमियों का उपयोग संबंधित ऑयल कम्पनियों को केवल फ्यूल रिटेल आउटलेट स्थापित किये जाने के प्रयोजनार्थ किया जायेगा। पेट्रोलियम गैस मंत्रालय, भारत सरकार के पत्र (पत्र की प्रति संलग्न) के अनुसार रिटेल आउटलेट हेतु निर्धारित मापदण्डों के अनुरूप भूमि चिन्हित कर ऑयल कम्पनियों की मांग पर आवंटन किये जाने के निर्देश प्रदान किये जाते हैं।

MINISTER OF STATE (I/C)
PETROLEUM & NATURAL GAS
GOVERNMENT OF INDIA
NEW DELHI - 110 001

D.O. No. P-19011/4/2009-IOC(Pt.I)/..18911

Dated: 6-7-2016

Respected Madam,

As a part of the government's commitment for the upliftment of weaker sections of the society, Government of India has provided reservation for candidates belonging to Scheduled Castes/ Scheduled Tribes in the allotment of Petrol Pumps (Retail Outlets) of the Oil Marketing PSUs, namely, Indian Oil Corporation Ltd., Hindustan Petroleum Corporation Ltd. and Bharat Petroleum Corporation Ltd.

2. Availability of suitable land at the identified location is a critical requirement for setting up of Retail Outlets, (ROs). Due to economic development in the country, land has become scarce and costly. Hence, even after repeated advertisements by the oil companies, availability of land continues to be an area of concern. The efforts for allotment of land by State Governments for this purpose have also not been very successful.

3. Therefore, Oil Marketing Companies are not in a position to fulfill their obligation with regard to reservation for SC/ST category in allotment of Petrol Pumps. Further, the candidates belonging to such communities have historically suffered on account of social disadvantage and consequential economic deprivation. Therefore, SC/ST candidates are not in a position to offer land during the selection process.

4. In your State, the representation of SC/ST category in allotment of dealerships is 14.5% of the total RO allotments against 25% as per norms. There are 49 number of pending Lols (Letter of Intent) with respect to SC/ST candidates for which land is required and 98 number of SC/ST locations for which there was no response in the recent advertisement. Making available land to the Oil Marketing PSUs at concessional rate will enable them to allot and commission Retail Outlets for the benefit of such candidates. This will enable OMCs to fulfill their obligation with regard to reservation for SC/ST category in allotment of Petrol Pumps in your State.

: 2 :

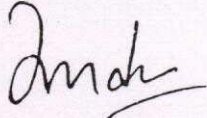

5. I would, therefore, request you to issue necessary directions to Urban authorities/District Collectors to allot/assist OMCs to procure suitable land at concessional rate at various locations: One set of locations are with respect to pending Lol holders (Annexure-1), the other set of locations are with respect to locations where no response was received against advertisement given for such locations in 2014-15 (Annexure-2). The State Level Coordinator (SLC) of Oil Marketing Companies will get in touch with the State Government authorities for taking forward this proposal.

With regards,

Encl: a/a
