**Comment:**

Municipality have recorded all the grants received in respective heads, but parishad do not prepare utilization certificate after utilization of grants and parishad do not maintain grant wise records that's why we are unable to express our opinion on proper utilization of grants. Parishad should maintain a separate register of all grants sanctioned or received by him showing receipt amount with date and payment/deduction from that grant along with date and name of the party.

3. Whether any Earmarked Funds have been created as per the provision of any statute and, if so, whether such Earmarked Funds have been utilized for the purposes for which they were created;

Whether the Municipality is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets; whether these fixed assets have been physically verified at reasonable intervals; whether any material discrepancies were noticed on such verification and if so, whether the same has been properly dealt with in the books of account;

**Comment:**

Municipality does not maintain proper records showing full particulars. Municipality is not maintaining any fixed assets register showing quantitative details and situation of fixed assets, there is no person available who is in charge to maintain these records. They never physically verified assets. Fixed assets are one of the main aspects of accounting, there should be a proper internal control system to maintain proper records and physical

**Comment:**

Municipality is collecting lease rent regularly from leasee receivable on leasehold property. At the time of audit parishad did not provide any lease agreement to us. If these agreements exist then Parishad should hold all lease agreements in safe custody and when demanded by any authority should present them. In case when these agreements expire, parishad should prepare a new agreement and held it in safe.

6. Whether physical verification has been conducted by the Municipality at reasonable intervals in respect of stores; Whether the procedures of physical verification of stores followed by the Municipality are reasonable and adequate if not, state the inadequacies in such procedures; Whether any material discrepancies have been noticed on physical verification of stores as compared to stores records, and if so, whether the same have been properly dealt with in the books of account;

**Comment:**

At the time of audit Parishad did not produce us any document or explanation about physical verification of stock and stores. A person or a team who is in charge of doing this should perform physical verification of stock and stores at least twice in every year and if they found any discrepancy from records take a corrective action.

Total loan/advance balance as on 31/03/2015 is 57,700.00 which stand same till as on 31/03/2016. Parishad did not take any corrective action for recovery of these dues. 11. Whether the Municipality is regular in depositing statutory dues including tax deducted at source, works contract tax, cess payable to the Government, ESI, PF etc., and if not, the nature and cause of such delay and the amount not deposited;

**Comment:**

*Parishad is not paying any statutory dues on time like Tax Deducted at Sources as Per Income Tax and Sales Tax, Labour Cess and Royalty. Parishad deducted all these statutory deduction from contractor's payment but they pay whole amount at the end of the year. As per these statutes payment must be paid on monthly bases, if we do not pay on monthly bases department charge heavy interest and penalty on us. **Comment:**

Municipality is maintaining adequate books and registers specified under RMAM and other applicable laws including bank reconciliation, but at the time of preparing final accounts they do not write accounting codes on respective accounting heads.

14. Whether the year-end and reconciliation procedures have been carried out;

**Comment:**

Yes, municipality is carried out year-end reconciliation procedures.

Other observations:

1. At the time of our audit we did not found fixed assets register which is violation of Accounting Standard 10 issued by ICAI. Municipality also not maintaining quantitative detail in any other mode. They should maintain separate fixed assets register showing quantitative details and situation of fixed assets.
2. At the time of our audit we found that municipality is accumulating depreciation amount in separate account which is violation of AS-6 issued by ICAI. They should reduce the cost of fixed assets by depreciation every year.
